

FEDERATION AGREEMENT

The Abdus Salam International Centre for Theoretical Physics, Italy (hereinafter called the "Centre") and the

Bogolyubov Institute for Theoretical Physics of the NAS of Ukraine

(hereinafter called the "Institute")

Recognizing that frequent and continuing contact between scientists working in related fields is fundamental to the creative process required to ensure the further development of science, as well as its proper application in relation to the requirements of society, and

Recognizing as well the effective role of the Centre in fostering such contact at the international level in respect of the related disciplines of theoretical physics, experimental physics and applied mathematics,

have agreed as follows:

1. Scientists of the Institute active in research will visit the Centre at times and for periods to be determined jointly by the Institute and the Centre. Such visits will coincide with ongoing activities at the Centre which are directly relevant to the field of specialization of the individual scientists concerned.
2. The selection of scientists for such visits shall be made by the Institute, in consultation with the Centre, and this shall be done on a broad basis so as to permit as many of its staff who are able to do so to benefit from such contact. In making a selection, advice received from the appropriate Institute advisory body will be taken into account. However, as a rule, those selected should be junior members, and in no case older than forty, of the Institute.
3. The expenses of visits undertaken in relation to this Agreement shall be financed on a cost-sharing basis. The Centre shall pay to each scientist in the local currency of the Centre an amount intended to contribute towards daily subsistence expenses. This amount shall be determined by the Centre, and the total amount to be paid for this purpose shall be limited to 90 days for all such visits for the entire period of the duration of the Agreement and to maximum 45 person days in a given calendar year. The Centre shall also contribute towards travel expenses of scientists from the Institute to the Centre in an amount not to exceed half the fare paid or Euro 300 per person, whichever is the smaller amount, and Euro 1,500 for the total of all such visits for the entire period of the duration of the Agreement. Reimbursements will be made in accordance with the Centre's Travel Standards.

4. Scientists coming to the Centre under this Agreement shall not be entitled to any other payment or subsidy from the Centre and the Centre shall not have any liability in the event of death, injury or illness of scientists occurring during their travel or stay in Trieste.

5. This Agreement shall enter into force upon signature by the Head, Office of Associates & Federated Institutes of the Centre and the authorized representative of the Institute.

6. This Agreement shall terminate on 31 December 2019.
